

# EASTER 2017 SUPERCHARGED SHOOTOUT

## *Early Invitation and Competitor Information*

This is to give everyone the run down on Easter especially if you have not been before, also hopefully gives you all time to prepare for what will be a fantastic event. A major reason for getting info out so early is to also give you all advanced warning to book accommodation if you are unable to stay at the track. Easter is Mildura's busiest time especially for motorsports and Accommodation will become very limited very quickly so get on it early if you even the slightest bit interested in attending.

### **Key Points for the event are as follows:**

**Entry Cut Off Date: TUESDAY APRIL 4TH (Late entries if accepted may incur a late fee)**

**Show N Shine:** As always the day before our event on Good Friday we have a Show N Shine in the main street of Mildura. It is a massive morning and is supported by all forms of motorsports and car clubs. As Easter is called the Power Sports Weekend Sunraysia Drag Racing Association always try and have a good representation, We would like this to continue and would like to get as many entrants as possible to this event. To allow room we need to know ASAP if you can participate. This is always a final bid to try and encourage spectators to attend our event. I can't think of many show 'n' Shines that can have up to 10,000 people in attendance. Great opportunities for sponsor exposure and to hand out any team apparel you may have. We normally do a fire up at around 11am. There is no pressure to do this if you don't wish to.

**Pit Allocations:** As we will be hoping for a big entry list we can find it hard to meet everyone's pit requirements. Can you please fill out the Pit Request on your entry form and please only request the room you actually need. If you do not put in a Pit Size you will be given a standard 8 x 6m Pit Bay

**Test N Tune:** We will be holding a test and tune on the Friday night. By no means is there any pressure to do so but always happy to see a few go out, always helps with track prep and gives better conditions for the next days event. This is also the chance if anyone needs

to complete Licence Requirements

**BRACKETS:** Supercharged Shootout  
Modified  
Top Sportsman  
Super Sedan  
Super Street  
Modified Bike  
Junior Dragster

**Bracket Numbers:** We are capping the amount of entries per bracket. Please take note below of how many entrants we are enabling per bracket. First in Best Dressed. All entrants after this will go on a waiting list. If we do not meet the numbers for each bracket we may add numbers to another bracket or if a competitor pulls out the next in line will be notified. Get your entries in early. **Entry Date Cut off will be enforced**

**Supercharged Shootout - 32**

**Modified - 16**

**Top Sportsman - 8**

**Super Sedan - 16**

**Super Street - 16**

**Modified Bike - 16**
