Repairs needed for burn out pad

Track needs to be washed

GENERAL BUSINESS

Aeroflow major sponsors are Hi Tec Oils and Max Cranes

Still looking for more bracket sponsors, if you have any suggestions please let us know. The more sponsors the better for the club.

Timing lights are getting fixed, also he will pick up the methanol. Cleaning products to be organized.

Trevor will set up a ute for use in the 660 and Aeroflow rounds

Russell to find out about a small airconditioner for the food van.

Gazzanats will run with the food and alcohol being ours and still discussing the VIP's being a capped amount of people in there. With a rain day on Sunday. Any money made at the Aeroflow will be put back into the burnout pad

Bandito's have made enquirers into the hire of the track for their AGM, possible 2 weeks after the Gassanats. This is being looked into by Macka.

Narelle is getting on to the flyers and promo girls. Also signs for the competitors and spectators gates.

Macka is organizing the hire of generators.

660 and Aeroflow adds are being aired. Please get behind and help your club as there is so much to be done, any help with whatever time you have will be much appreciated.

MEETING CLOSED TIME 1.30pm
